Define Problem Statements (Customer Problem Statement Template):

Create a problem statement to understand your customer's perspective. The Customer Problem Statement template helps you focus on what matters to create experiences people will love. A well-articulated customer problem statement allows you and your team to find the ideal solution for your customers' challenges. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A customer applying for a credit card.	Check my credit card eligibility instantly.	I don't know if I qualify for approval.	Banks take too much time to manually verify income, employment type, credit score and credit history.	Uncertain and worried about my application outcome.
